

**We are growing!** Calgary Counselling Centre (CCC) changes people's lives. For the past 20 years, Calgary Counselling Centre has been the Alberta leader in mental health services providing evidence-based counselling through feedback informed treatment, leading edge research, and training and education programs that improve mental health service delivery and client outcomes. We provide a full range of individual, couple, family and group counselling services and train clinicians at the masters and Post Graduate levels. We have well-established programs focused on depression, anxiety, trauma, family violence and youth mental health. We work with several expert trainers and consultants from across the Globe.

We are looking for a Men and Boys Outreach Coordinator who will play a pivotal role in scaling up existing mental health support specifically tailored to men and boys impacted by violence. This project aims to increase awareness of mental health and support among men and boys. Calgary Counselling Centre (CCC) has a longstanding history of providing individual and group counselling to men and boys, including victims, perpetrators, and those at risk.

**This is a full-time role for one year with the possibility of extension.** The selected candidate will focus on building networks and violence awareness within male-serving groups and agencies through various strategies, including, public speaking, workshops, person engagement, social media campaigns, among others.

#### **Key Responsibilities:**

- Develop and implement outreach plan and strategies to engage men and boys in mental health and related violence initiatives.
- Build connections and partnerships with male-serving groups and agencies to increase awareness of available support services.
- Convene and facilitate a male-led advisory group to guide outreach efforts and ensure relevance to the target demographic.
- Develop and distribute outreach materials to effectively communicate CCC's services and resources to men and boys.
- Organize and participate in outreach events, engagement activities, workshops, and public speaking engagements to raise awareness.
- Collaborate with community partners to reach men and boys "where they are" and ensure accessibility of services.
- Monitor and evaluate outreach efforts, including tracking engagement metrics and assessing the impact on mental health outcomes.
- Provide counselling support to male clients accessing CCC's services utilizing outcome measurement tools to track changes in mental health status.

#### **Qualifications**

- Bachelor's degree in social work, public health, psychology, or related field (master's degree preferred).
- Male with firsthand experience navigating mental health challenges, adept at forging genuine connections and providing empathetic support to men seeking assistance.
- Strong interpersonal and communication skills, with the ability to build and maintain relationships with diverse stakeholders.
- Licensed practitioner status with professional body
- Pass a Police and Child Welfare check.

- Excellent organizational and project management skills, with the ability to build and maintain relationships with diverse stakeholders.
- Requires complex and critical thinking skills; take the initiative to impact the success of their area of responsibility.

Success in this position requires the following competencies: excellent communication and interpersonal skills, focus on results, impact and influence, planning and prioritizing, relationship building, service orientation.

We offer a hybrid environment. Compensation is competitive with Market in the Calgary area.

If you are interested in this opportunity, please submit a Cover Letter and Resume (as one combined pdf document) to Calgary Counselling Centre: [hr@calgarycounselling.com](mailto:hr@calgarycounselling.com).
